**Mr. Tran Manh Vu**

# WHO WE ARE

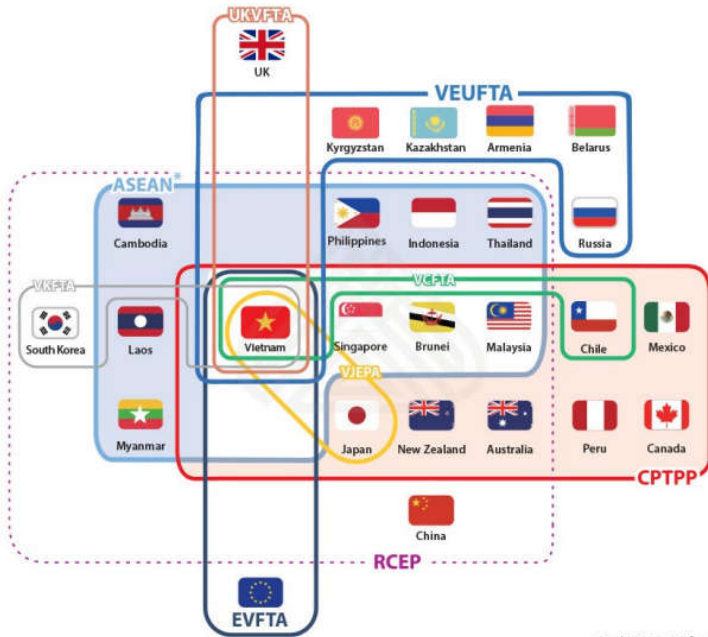

A platform for professionals working together to success

- 
- ✓ A local company well-understand the local market
  - ✓ A young company with many years of experienced experts
  - ✓ A company who consider customer's goals are our goals
  - ✓ A bridge for Vietnam SMEs companies to the oversea market and investors

# WHY WE ARE HERE

We know our position and which we can make to customer

## Trade Agreements

Graphic © Asia Briefing Ltd.

- ✓ The global supply chain is changing, many big companies consider Vietnam and Southeast Asia as new location than China. Investors lack of information of the SMEs company to be good partner in the region and in Vietnam.
- ✓ Vietnam SMEs companies are very dynamic, but not many of them have enough international capacity to reach the global market. So, they need a bridge to the outer world
- ✓ Many of them need resources to growing as market, capital, technology, management that we see that available from the foreign investors.
- ✓ For the investors, they need a clear, transparent vision, independent and objective review of the market and enterprises to make decisions.

# OUR SERVICES
